

SHIFT MANAGER

Salary: Up to £6.10 ph + Performance Related Bonus
Location: Middlesbrough

Outstanding opportunities for ambitious individuals who want to build a career with a major KFC franchise holder. As a Shift Manager, you'll never be asked to take a back seat. You'll be playing an active and high profile role in our success.

Delivering the most talked-about fast food experience on the planet is no small management challenge.

You will have had previous experience in a fast food, catering or retail environment, and will be passionate about delivering excellent customer service and developing the team to their potential. You will need a hands-on and flexible approach.

KFC is committed to developing people to their full potential. You can start as Shift Manager but your development does not stop there. As a company we are committed to developing you to your full potential within the company. Show us you have the potential and there are plenty of opportunities to develop and progress to eventually running your own store.

Your key responsibilities will include:

- Key holder responsibility
- Open, run and close shifts
- Maintain high operational and brand standards
- Manage and motivate the team
- Develop and train team
- Financial management
- Compliance of health and safety procedures
- Deliver excellent customer service
